PRODUCT UPDATE

COLUMBUS DAY HOLIDAY

Monday, October 10, 2016 is Columbus Day.

All stores must be Closed on this day

WAREHOUSE CLOSURE

FRIDAY, OCTOBER 28, 2016

The Warehouse Will Be Closed For Inventory

**PLEASE REFER TO THE PICKING
CALENDARS FOR CHANGES TO YOUR PICK
DATES.**

http://revenue.mt.gov/home/liquor/agencyliquor_stores#Resources-838

- Choose 2016 Order Processing Calendar and the months of

OCTOBER, NOVEMBER AND DECEMBER

**IMPORTANT! No re-pack quantities filled during the week
of November 7th through 11th**

To ensure all store orders are processed and shipped to your stores timely during the week of November 7th through 11th the warehouse will not fill any re-pack order requests. This includes stores that have a regular pick date during this time period but have been moved back to Thursday or Friday of the prior week due to the Election Day holiday. Please take this into consideration when placing your orders in the weeks prior to the closure if you will need products in re-packable quantities.

During the repack closure period stated above, products ordered in less than full case lots will be zeroed out and you will not receive the product. We appreciate your cooperation in order to accommodate for the Election Day and Veteran's Day holidays. Please contact us with any questions you have regarding re-pack orders during this period.

NO REPACKS NOVEMBER 7TH THROUGH NOVEMBER 11TH

All stores must be closed on the following holidays.

Columbus Day	Monday, October 10, 2016
Election Day	Tuesday, November 8, 2016
Veteran's Day	Friday, November 11, 2016
Thanksgiving	Thursday, November 24, 2016
Christmas Day	Sunday, December 25, 2016
New Year's Day	Sunday, January 1, 2017

Order Deadline Reminder

It is important that you take a look at your Order Processing Calendar and plan ahead for changes to your regular pick date due to the upcoming holidays.

Your order needs to be received at the liquor warehouse for processing by 4:00 a.m. on your pick date. We will send you a confirmation which you need to review and make all changes and additions to by 11:00 a. m. on your pick date. We ask that you please make your changes on TAP rather than calling us to do your changes for you. This is the most efficient and accurate way of making changes to your order. When agents wait until 11:00 a.m. to call us with changes that consist of 20 to 40 changes and add-ons it takes 10 to 20 minutes per store. This delays sending the daily orders to the warehouse to be picked which in turn delays the orders being ready for shipment to your store. Orders and changes after these deadlines may not be processed resulting in you not having the products you need to service your customers.

Holiday Items

The 2016 holiday items are arriving at the warehouse. Beginning Monday, September 26th they will be added to your weekly orders and shipped to your store. Please know that the department placed orders with the vendors for holiday items based on the quantities requested by all of the agency liquor stores. Unfortunately, some vendors are not able to supply us with the full amount we requested. When that is the case, the amount you ordered may be adjusted and you will not receive the amount you actually ordered. Additionally, please remember that the 8% case lot discount does not apply on full cases sales of holiday items to licensees.

This year Holly Toddy (404-065176-75) is a regular listed product. It is available now at the warehouse for you to order on your weekly orders. The price is \$6.30 a bottle and it is not re-packable.
